LIFE COACH IN THE AI ERA

No license, no gatekeeper — and that's exactly the problem: anyone can print the business card.

★ TL;DR — Coaching clients online at a ~$75K median, fully remote and startable in 1–6 months with no licensing at all. The catch: your credential is trust, earned client by client — marketing is the real job. ★

THE CAREER GLITCH TAKE

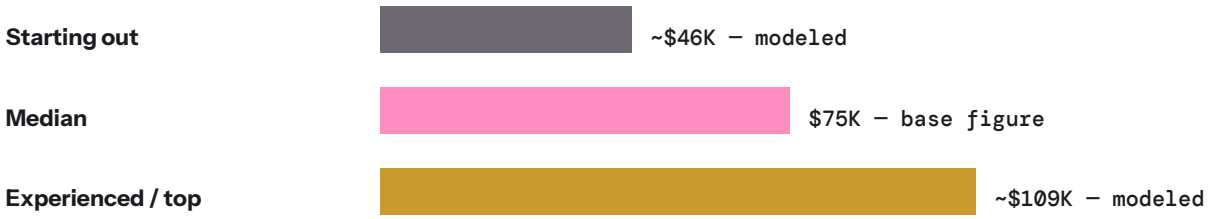

OUR TAKE: YES — WITH EYES OPEN

MEDIAN ~$75K · TRAINING 1-6 months · AI RISK LOW

- AI now gives generic coaching away free; specific, accountable, human coaching is what's left to sell.
- Zero barriers cut both ways: you can start this month, and so can everyone else.
- Results are the only moat — a coach with proof outlives a coach with certificates.

The site's take, built from this profession's numbers in the Career Glitch base.

THE MONEY — LOOK AT THE BARS

The Career Glitch base figure for Life Coach is a ~$75K median (compiled from U.S. Bureau of Labor Statistics, Occupational Outlook Handbook ranges). The starting and top bars are modeled around that median — orientation, not a promise. Pay swings hard by state, employer and experience: check live postings in your state before planning around any number.

WHAT DOES A LIFE COACH ACTUALLY DO?

✓ Running coaching calls and holding clients to their plans

- ✓ Designing goal plans and accountability check-ins
- ✓ Creating content and marketing your practice
- ✓ Sales conversations, offers, scheduling and admin

Think: a personal trainer for decisions — you don't lift for them, you make sure they show up.

WHAT AI ALREADY TOOK (AND WHAT IT CAN'T)

THE ROBOT	THE HUMAN
Content drafts, scheduling, note summaries and generic advice are commodity AI output now. If your coaching sounds like a chatbot, the chatbot is cheaper.	Presence, hard questions at the right moment, and accountability that a client actually feels. People don't ghost a human they respect the way they close an app.

⚠ **Income is feast-and-famine until your reputation compounds, and the industry's credibility problem becomes your credibility problem.**

THE VIBE — IS THIS YOUR LIFE?

THE JOB IS	THE JOB IS NOT
✓ Fully remote with your own calendar ✓ Variety: every client is a different life ✓ Income that scales with niche and proof, not hours alone	✗ Selling yourself is a permanent second job ✗ Volatile income, especially in year one ✗ Clients' results are never fully in your control

Good fit? You've actually achieved the thing you'll coach, and you're comfortable being visible and selling.
Bad fit? You want clients to arrive by themselves, or your own track record in the niche is thin.

THE FORK — PICK ONE DOOR

DOOR A — COACH INSIDE EXISTING COMMUNITIES	DOOR B — INDEPENDENT NICHE PRACTICE
Coach within companies, programs and creator communities that already have an audience. You get reps, results and testimonials without building traffic from zero — the fastest way to a real practice.	Build your own practice on your past results and consistent content. Slower to start, but the brand, the pricing and the client list are entirely yours.

Smart move: Sell a result you have personally achieved, to people like who you were. Vague 'life' coaching is precisely the part AI eats for breakfast.
Where you land after: A premium niche coach, then group programs, speaking and corporate work.

STEP 1 — Pick your niche from your own record

FREE · TODAY

- Name the result you've personally achieved that others want
- Define exactly who it's for and what 'done' looks like

STEP 2 — Design one clear offer

WEEKS 1-2

- A defined program: duration, sessions, support, outcome
- Price it like a result, not like an hour of chatting

STEP 3 — Coach beta clients

MONTHS 1-2

- Take a few clients at a starter price in exchange for honest testimonials
- Run real accountability systems: plans, check-ins, tracking

STEP 4 — Turn results into proof

MONTHS 2-4

- Document client outcomes with permission
- Publish content that teaches your method in public

STEP 5 — Build the pipeline

MONTHS 3-5

- A simple funnel: content, a discovery call, the offer
- Ask every finished client for referrals at the moment of their win

STEP 6 — Raise and package

MONTHS 5-6

- Raise prices as proof accumulates
- Package the method into a group program to escape the hour-for-hour ceiling

FIRST 90 DAYS — JUST DO THIS

- □ Today: write the niche and the one offer in two sentences.
- □ Days 1–30: beta clients coached; systems for plans and check-ins in place.
- □ Days 31–60: first paying clients; content going out consistently.
- □ Days 61–90: testimonials collected; offer refined from real results.
- □ Day 90: a paying roster — small is fine, imaginary is not.
