SPEECH / PUBLIC SPEAKING COACH IN THE AI ERA

AI can polish a script. The fear lives in the body, on a stage, in front of people — that's where the coach works.

★ TL;DR — Public-speaking coaching at a ~$75K median, fully online-able and startable in 1–6 months with no license. The catch: clients buy outcomes — a funded pitch, a landed job — so your own speaking is the only real advertisement. ★

THE CAREER GLITCH TAKE

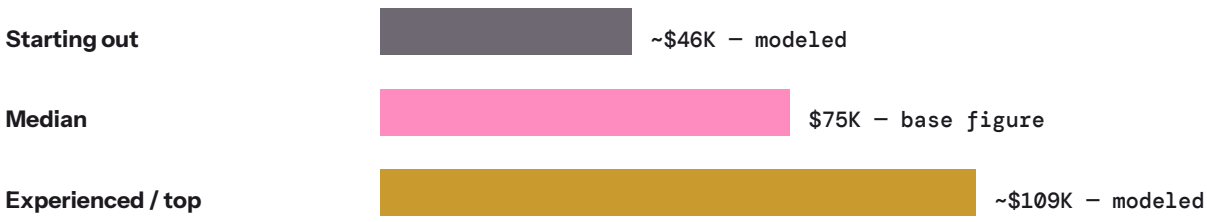

OUR TAKE: YES — WITH EYES OPEN

MEDIAN ~$75K · TRAINING 1-6 months · AI RISK LOW

- AI fixed the text layer of speaking; delivery, nerve and presence stayed defiantly human.
- This is a deadline business: clients arrive with a date circled, which makes offers easy to sell.
- Remote delivery means your market is every professional with a big moment coming.

The site's take, built from this profession's numbers in the Career Glitch base.

THE MONEY — LOOK AT THE BARS

The Career Glitch base figure for Speech / Public Speaking Coach is a ~$75K median (compiled from U.S. Bureau of Labor Statistics, Occupational Outlook Handbook ranges). The starting and top bars are modeled around that median — orientation, not a promise. Pay swings hard by state, employer and experience: check live postings in your state before planning around any number.

WHAT DOES A SPEECH / PUBLIC SPEAKING COACH ACTUALLY DO?

- ✓ One-on-one coaching calls, live and online
- ✓ Reviewing speeches and drilling delivery on recordings
- ✓ Preparing clients in the final days before their big moment
- ✓ Creating content and running your own client pipeline

Think: a sparring partner for the moments that decide careers.

WHAT AI ALREADY TOOK (AND WHAT IT CAN'T)

THE ROBOT	THE HUMAN
Transcript analysis, filler-word counters and script polishing are automated and free. Every client already has them; none of them calm a heartbeat.	Presence coaching: breath, pace, eye contact, recovery from a stumble, courage on the day. You are hired to stand (virtually) next to someone when the room goes quiet.

⚠ **Demand spikes around your clients' deadlines, not your rent schedule. Expect feast-and-famine until referrals smooth it out.**

THE VIBE — IS THIS YOUR LIFE?

THE JOB IS	THE JOB IS NOT
✓ Remote, premium, project-based variety ✓ Front-row seat to other people's big wins ✓ A practice built on your own skill, not credentials	✗ Permanent self-marketing, especially early ✗ Income that follows other people's calendars ✗ Results partly in your clients' hands, always

Good fit? A genuinely strong speaker with coaching instincts and a niche you understand from inside.
Bad fit? Your own stage fright is untreated, or you want clients without ever performing in public yourself.

THE FORK — PICK ONE DOOR

DOOR A — A COACHING FIRM OR TRAINING COMPANY	DOOR B — INDEPENDENT NICHE PRACTICE
Join the roster of a communication-coaching firm or corporate training company. Their clients and credibility fill your calendar while you sharpen the craft on real engagements.	Build your own practice around one high-stakes moment: founders pitching, executives presenting, professionals interviewing. Your niche is your marketing.

Smart move: Coach the moment, not the skill. 'Your investor pitch, ready in three weeks' sells; 'become a better speaker someday' does not.
Where you land after: A premium executive coach, then group programs and corporate workshop days.
