THE CAREER GLITCH TAKE

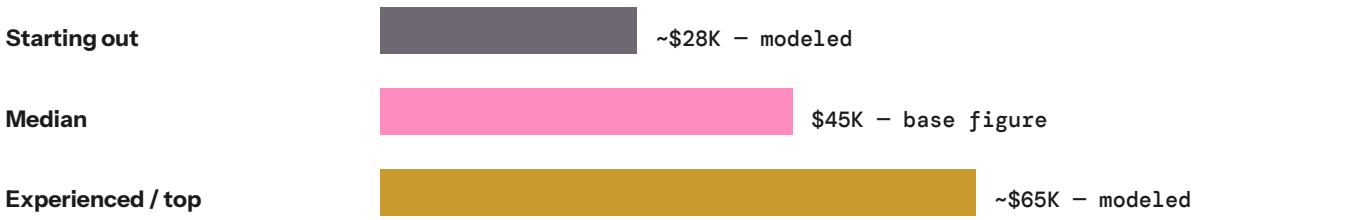

OUR TAKE: YES — WITH EYES OPEN

MEDIAN ~$45K · TRAINING 1-6 months · AI RISK MEDIUM

- The deliverable is follow-through: clients rent your attention and accountability.
- AI hands out plans; humans stick to plans they've made with a person.
- It's a business from day one — niche, offer and audience are the whole job.

The site's take, built from this profession's numbers in the Career Glitch base.

THE MONEY — LOOK AT THE BARS

The Career Glitch base figure for Wellness Coach is a ~$45K median (compiled from U.S. Bureau of Labor Statistics, Occupational Outlook Handbook ranges). The starting and top bars are modeled around that median — orientation, not a promise. Pay swings hard by state, employer and experience: check live postings in your state before planning around any number.

WHAT DOES A WELLNESS COACH ACTUALLY DO?

- ✓ Run one-to-one and group coaching sessions around health habits
- ✓ Help clients set goals and break them into weekly behaviors
- ✓ Track habits, sleep, food and energy with simple systems

✓ Hold accountability between sessions — messages, checks, adjustments

Think: a personal trainer for everything except the workout.

WHAT AI ALREADY TOOK (AND WHAT IT CAN'T)

THE ROBOT	THE HUMAN
Chatbots deliver habit tips, generic meal plans and motivational scripts on tap. Content about wellness is now infinitely abundant.	Listening for the real obstacle, asking the question that lands, and holding someone accountable kindly week after week. That's a relationship, not a chatbot.

⚠ **The wellness space is crowded with big promises. Coaches who document modest, real outcomes outlast the ones selling transformations.**

THE VIBE — IS THIS YOUR LIFE?

THE JOB IS	THE JOB IS NOT
✓ Fully remote-capable: calls from anywhere ✓ Deep, satisfying one-to-one work ✓ Your schedule, your niche, your prices	✗ Income is exactly as stable as your marketing ✗ Results depend on clients' lives, not just your skill ✗ You'll coach people whose problem is money, time and stress combined

Good fit? You listen more than you talk, your own habits are credible, and you can sell without feeling dirty.

Bad fit? You need credentials to feel legitimate, or you give advice when you should be listening.

THE FORK — PICK ONE DOOR

DOOR A — COACH INSIDE AN ORGANIZATION	DOOR B — SOLO PRACTICE
Coach inside a clinic, gym, corporate wellness program or platform: their clients and credibility, your coaching reps. Learn delivery before building an audience.	Build your own practice from your niche and story: content, free sessions, first clients. Full freedom; the audience-building is on you.

Smart move: Coach for outcomes you can show: 90 days, one measurable change, documented. Vague transformation talk is why coaches starve.

Where you land after: A signature program with a waitlist, corporate contracts, or a practice alongside clinical partners.

YOUR ROADMAP — 6 STEPS

CHOOSE YOUR	LEARN COACHING	RUN A	BUILD THE	FILL THE	SCALE THE

STEP 1 — Choose your niche honestly

DEFINE FIRST · DAYS

- Pick one client type and one problem — 'everyone, everything' is not a niche
- No license is required for coaching, but stay in scope: coach habits, don't diagnose or treat

STEP 2 — Learn coaching craft

OPTIONAL BUT SMART · 1-6 MONTHS

- Take a structured coaching course to learn session craft and ethics
- Practice the framework on yourself first — credibility is visible

STEP 3 — Run a pilot program

PRACTICE CLIENTS · WEEKS

- Coach 3–5 practice clients free or cheap through a full program
- Collect measurements and testimonials with permission

STEP 4 — Build the offer

OFFER + PRICE · DAYS

- Package it: length, sessions, support, one clear outcome
- Simple booking, contract and payment setup

STEP 5 — Fill the pipeline

AUDIENCE · ONGOING

- Post your clients' process and your own habits consistently
- Free intro sessions are your showroom — coach one real problem live

STEP 6 — Scale the proof

YEAR ONE

- Raise prices as documented results stack up
- Add group programs to escape one-to-one hour limits

FIRST 90 DAYS — JUST DO THIS

□ Today: write your exact niche and the exact problem you solve — one sentence each.

□ Days 1–30: first practice clients coaching weekly; session framework tested and timed.

□ Days 31–60: offer packaged into a program with a price; content rhythm running.

□ Days 61–90: testimonials collected; first full-price program clients enrolled.

□ Day 90: a real micro-business exists — niche, offer, clients, proof.
